

Issue #480: Motion Preferences, Clever CSS Solutions

cssweekly

Issue #480 • November 3, 2021

[view online version](#)

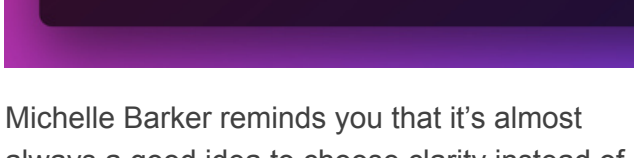

Respecting Users' Motion Preferences

Michelle Barker explains why you should use the `prefers-reduced-motion` media query to make your sites more accessible.

[Read more](#)

Evaluating Clever CSS Solutions

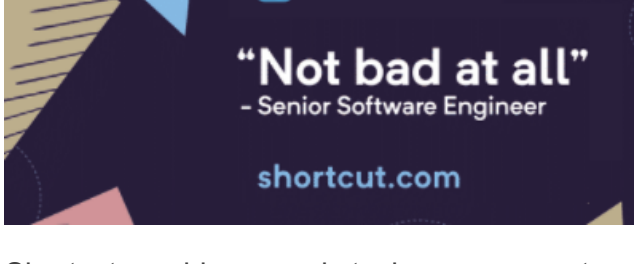

Michelle Barker reminds you that it's almost always a good idea to choose clarity instead of cleverness.
